

Ali Al Bannai Maintenance LLC was established in 1996 and it was evidently a modest startup for us. However with an indefatigable effort with always open perspiratory glands, we have emerged as one of the best décor companies in UAE.

Our team has always strived to be in the vanguard of providing unmatched quality décor services, both interior and exterior along with innovative paint applications and finishes. Unflinching obedience to professional principles and commitment to clients are the main values driving us. These qualities have fueled us to our present reputation in the concerned industry as one of most sought out decor companies throughout UAE by residents as well as corporate.

The professionals who reach you finishes the tasks embarked in shortest possible time and keep your comfortable with their friendly and genuine behavior. All quality norms are taken care of and those too at most competitive rates.

Ali Al Bannai Maintenance LLC was established in 1996 by a team of vibrant people who beyond profit longed to avail quality services to customers falling in diverse categories. Located in UAE, we have from a small group metamorphosed to one of the huge and highly reputed Decor companies in entire UAE.

The place where you stay or work reciprocates your personality; even your mood fluctuations are highly dependent on that. Our team of experts soon after receiving an inquiry makes an in-depth study of all concerned aspects and suggests optimal solutions for you. We follow only standard procedures and beyond a strong project management team and skilled labor pool, we have a quality analysis team that makes sure that quality is maintained throughout the whole phases of service rendering.

Why choose us?

- o Comprehensive experience: We have an experience since 1996 in diverse fields related to decoration.
- o Immense expertise: Our rational and creative people can deal with projects from any level of complexity.
- o Sophisticated methodologies: We follow established practices for project execution.
- o Well-equipped infrastructure: We have a total workforce of 250 people equipped with all needed tools and resources.
- o Regular training: We keep our staff updated with latest advancements in the field through regular training programs.

Vision and mission

We ardently focus on establishing ourselves as a remarkable presence in the niche of innovative decoration services comprising the whole facets like that of interior and exterior decorations, renovations, paint applications and different styles of finishing.

Ultimately our aim is to avail our clients with a value added service that guarantees them 100% ROI and satisfaction.

Reach us and let's take the discussion further regarding how our creativity and expertise can come to your help.
